Gibraltar Audit Office

Report of the Principal Auditor
on the Accounts of the
Gibraltar Savings Bank for the financial year ended 31 March 2011

## THE CERTIFICATE OF THE PRINCIPAL AUDITOR TO THE MINISTER WITH RESPONSIBILITY FOR PUBLIC FINANCE

I certify that I have audited the financial statements of the Gibraltar Savings Bank for the financial year ended 31 March 2011 in accordance with the provisions of Section 12 of the Gibraltar Savings Bank Act. These statements comprise the Income and Expenditure Account, the Deposits and Withdrawals Account, the Investment Adjustment Account, the Reserve Account, the Balance Sheet and the Statement of Investments.

## Respective responsibilities of the Director of the Gibraltar Savings Bank and the auditor

The Director of the Gibraltar Savings Bank is responsible for the preparation of the financial statements and for being satisfied that they are properly presented. My responsibility is to audit, certify and report on the financial statements in accordance with generally accepted government auditing standards.

## Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Gibraltar Savings Bank's circumstances and have been consistently applied and adequately disclosed; and the overall presentation of the financial statements. In addition, I read all the financial and non-financial information in the Report of the Director of the Gibraltar Savings Bank to identify material inconsistencies with the audited financial statements. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my certificate.

In addition, I am required to obtain evidence sufficient to give reasonable assurance that the expenditure and income reported in the financial statements have been applied to the purposes intended by the Gibraltar Savings Bank Act and the financial transactions conform to the authorities, which govern them.

## Opinion on Regularity

In my opinion, in all material respects, the expenditure and income have been applied to the purposes intended by the Gibraltar Savings Bank Act and the financial transactions conform to the authorities, which govern them.

## Opinion on financial statements

In my opinion, the financial statements properly present the income and expenditure, the deposits and withdrawals, the investment adjustment and the reserve for the financial year ended 31 March 2011 and the assets and liabilities as at the end of that period.

## Opinion on other matters

In my opinion, the information given in the Director's Report is consistent with the financial statements.

## Report

I have no observations to make on these financial statements.

## GIBRALTAR SAVINGS BANK

Annual Accounts

For The Financial Year
Ended 31 March 2011

## Gibraltar Savings Bank

## Director's Report on the Accounts for the Year Ended 31 March 2011

The Gibraltar Savings Bank is accounted for through a Government Special Fund - the Savings Bank Fund.

Net income from operations during the year ended 31 March 2011 was $£ 0.39$ million, compared with net expenditure of $£ 0.64$ million during the previous year. Income included a contribution from the Consolidated Fund of $£ 0.47$ million in respect of additional interest, i.e. $6 \%$ over the standard rate for non-government investments of $2 \%$, to meet the guaranteed $8 \%$ interest payable to Provident Trust Pension Schemes. There was a capital gain on the fund's investments of $£ 0.21$ million. The net increase in reserves during the year was $£ 0.6$ million.

Crown Agents investment management charges totalled around $£ 0.34$ million $(0.2 \%$ of the fund assets managed in UK).

The Gibraltar Savings Bank (Amendment) Act 2008, which came into effect on 24 July 2008, provides for the deposits in the Gibraltar Savings Bank to be invested in cash or other investments equivalent thereto in terms of protection of their capital value. It further provides that no surplus will be transferred out of the Gibraltar Savings Bank unless the assets of the Bank are thereafter at least equivalent to $100 \%$ of the liabilities to depositors. The consequence of these amendments is that the requirement to maintain a reserve balance is no longer necessary. The Reserve Account balance of $£ 1.3$ million was transferred to the Consolidated Fund at the end of the year.

At the year-end, the deposits of the bank, excluding $£ 0.04$ million of accrued interest, stood at $£ 330.08$ million. The previous year-end figure totalled $£ 308.36$ million. Deposits as at 31 March 2011 were made up as follows:

|  | Deposits | (Previous <br> Year) |  |
| :--- | ---: | ---: | ---: |
| Non-Government Deposits |  | £'million | £'million |
| Ordinary Deposits | 39.3 | 41.1 |  |
| On-Call Investment Accounts | 0.0 | 0.1 |  |
| Pensioner Monthly Income Debentures | 9.5 | 12.5 |  |
| Monthly Income Debentures | 14.6 | 19.2 |  |
| Other Debentures (Special Issues) | 3.5 | 2.9 |  |
| Gibraltar Provident Trust Fund Bonds | 8.0 | 8.0 |  |
|  |  | 74.9 | 83.8 |
| Government Deposits |  | 255.2 | 224.6 |
| On-Call Investment Accounts |  | 330.1 | 308.4 |
|  |  |  |  |

The level of overall non-Government Deposits stood at $£ 74.9$ million. The decrease of $£ 8.9$ million over the previous year is the result of monies having been transferred to debentures issued directly by the Government of Gibraltar.

Government deposits in the Gibraltar Savings Bank were up by $14 \%$ reflecting an increase in the level of Government liquid reserves held by the bank.

The following is a summary of interest rates payable to depositors by the bank during the period April 2010 to March 2011:

| Ordinary Deposits | 2 per cent per annum |
| :--- | :--- |
| Pensioners' Monthly Income Debentures | 2 per cent per annum |
| Monthly Income Debentures | 2 per cent per annum |

These special rates will be payable during the 3 -year period from $1^{\text {st }}$ January 2009 to $31^{\text {st }}$ December 2011. However, if the Base Rate is above 2\%, the standard rates, linked to the Bank of England Repo Rate, will apply as follows:

| Ordinary Deposits | 1 per cent below the Bank of England Repo Rate |
| :--- | :--- |
| On Call Investment Accounts | 2 per cent below the Bank of England Repo Rate |
| Pensioners' Monthly Income Debentures | At par with the Bank of England Repo Rate |
| Monthly Income Debentures | $1 / 2$ per cent below the Bank of England Repo Rate |
