## THE CERTIFICATE OF THE PRINCIPAL AUDITOR TO THE MINISTER WITH RESPONSIBILITY FOR PUBLIC FINANCE

I certify that I have audited the financial statements of the Gibraltar Savings Bank for the financial year ended 31 March 2013 in accordance with the provisions of Section 12 of the Gibraltar Savings Bank Act. These statements comprise the Income and Expenditure Account, the Deposits and Withdrawals Account, the Investment Adjustment Account, the Reserve Account, the Balance Sheet and the Statement of Investments.

## Respective responsibilities of the Director of the Gibraltar Savings Bank and the Principal Auditor

The Director of the Gibraltar Savings Bank is responsible for the preparation of the financial statements and for being satisfied that they are properly presented.

My responsibility is to audit, certify and report on the financial statements in accordance with the provisions of Section 12 of the Gibraltar Savings Bank Act. I have conducted my audit of the financial statements in accordance with generally accepted government auditing standards.

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Gibraltar Savings Bank's circumstances and have been consistently applied and adequately disclosed; and the overall presentation of the financial statements. In addition, I read all the financial and non-financial information in the Report of the Director of the Gibraltar Savings Bank to identify material inconsistencies with the audited financial statements. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my certificate.

I am required to obtain evidence sufficient to give reasonable assurance that the expenditure and income reported in the financial statements have been applied to the purposes intended by the Gibraltar Savings Bank Act and the financial transactions recorded in the financial statements conform to the authorities, which govern them.

### Opinion on regularity

In my opinion, in all material respects, the expenditure and income have been applied to the purposes intended by the Gibraltar Savings Bank Act and the financial transactions recorded in the financial statements conform to the authorities, which govern them.

#### Opinion on financial statements

In my opinion, the financial statements properly present the income and expenditure, the deposits and withdrawals, the investment adjustment and the reserve for the financial year ended 31 March 2013 and the assets and liabilities as at the end of that period.

#### Opinion on other matters

In my opinion, the information given in the Report of the Director of the Gibraltar Savings Bank is consistent with the financial statements.

#### Matters for which I report by exception

I have nothing to report in respect of the following matters, which I report to you if, in my opinion:

- I have not received all of the information and explanations, which to the best of my knowledge and belief were necessary for the purpose of the audit; or
- proper books of account have not been kept by the Gibraltar Savings Bank, so far as appears from the examination of those books; or
- the Gibraltar Savings Bank has not discharged its financial duties and obligations in accordance with the provisions of the Gibraltar Savings Bank Act; or
- the financial statements are not in agreement with the accounting records.

### Report

I have no observations to make on these financial statements.

The level of overall non-Government Deposits stood at £368.4 million. The increase of £269.3 million over the previous year is the result of the issue of new Gibraltar Savings Bank debentures together with the redemption of Government of Gibraltar Debentures and the transfer of a significant portion of the proceeds of the latter to the Gibraltar Savings Bank.

Government deposits in the Gibraltar Savings Bank were up by 20.9% reflecting an increase in the level of Government liquid reserves held by the bank.

The following is a summary of interest rates payable to depositors by the bank during the period April 2012 to March 2013:

| Ordinary Deposits  | 2 per cent per annum   |
|--|------------------------|
| Pensioners' Monthly Income Debentures                          | 2 per cent per annum   |
| Monthly Income Debentures                                      | 2 per cent per annum   |
| Limited Issue of Fixed Term Monthly Income Debentures 31/12/13 | 4 per cent per annum   |

| 5-Year Fixed Term Monthly Income Debentures                    | 5 per cent per annum   |

Rates for the 10-Year Accumulator Bonds and the 10-Year Pensioner Accumulator Bonds are not shown in the above table as the rate depends on when the Bond was issued. The interest on these Bonds is 2% for the first year from the issue date and this rate increases by 1% per annum in each subsequent year to reach an interest rate of 11% payable in the tenth year that the investment is held.
